

I Used to Know You

Capo 2nd fret. Fingerpick first verse, strum the rest.

D Dmaj7 G A

I used to know you, better than your brother

D Dmaj7 G A

Used to know you, when you were my friend

Bm7 A

And we walked barefoot on the ground

Bm7 A

And our knees were always brown

E G A

We were only happy when toge - ther

You used to know me, better than the others
Used to know me, we were quite inseparable
Except when it was night, even then you wondered why
I was not allowed to sleep in your house

F C G Dm

But lately when I pass you on the street I wonder why

F C G A7

Neither of us ever tries to catch the other's eye

I used to know you, better than your brother
Used to know you, remember all those plans we made
Forever we should play
And together we should stay

But we never planned one day we'd be like strangers

D Dmaj7 G A D

'Cos I used to know you...
